# NATIONAL STATISTICAL ERVICE OF RA

Approved by State Council on Statistics of RA. Decision N 59. dated 26.07.2001p

QUESTIONNAIRE ☐☐

The Census of RA conducted on October 10-19, 2001 in RA according to RA Law on "Census" is the first in the history of our country, coming into realization in independent conditions. The purpose of the census is not so ly clarification of population number and structure by the RA administrative- territorial division, but also through census summary indicators assist to society and political decision making authorities in making better decisions, clarifying estimates toward our development programme. The Law on "Census" of RA has determined that through provision of uncontested and reliable answering to questionnaire questions, the census final results can be used and published only if summarized and grouped way. The individual data are confidential and not subject to publication, and even can not be used as proof by juridical, investigation and other authorities (Articles 12 and 13). The census is compulsory (Article 10) and our responsibility to Armenia. We are asking You armenians in conducting Census of 2001 through Your uncontested and reliable answers, those are very important for

clarifying future features of our country.

Thanks for co-operation

Stephan Mnatsakanyan
Chairman of State Council on Statistics of RA.
Chairman of RA National Statistical Service
